The image shows two screenshots of the IBM Cloud interface. The top screenshot is the login page at `cloud.ibm.com/login`. It features the IBM Cloud logo, a 'Log in to IBM Cloud' heading, and a link to 'Create an account'. Below this is a 'Sign in with' section with a dropdown menu set to 'IBMid' and a text input field containing the email `sowmiyaaswaran13@gmail.com`. A blue 'Continue' button is positioned below the input field. There are also links for 'Forgot ID?' and a 'Remember ID' checkbox.

The bottom screenshot shows the IBM Cloud dashboard at `cloud.ibm.com`. The dashboard has a dark header with the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'sowmiya E's Account'. The main content area is titled 'Dashboard' and includes a 'Create resource' button. Below this is a 'For you' section with five cards: 'Build' (with a blue background), 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'IBM Watson Knowledge Catalog', and 'Build a Virtual Private Cloud (VPC)'. Each card provides a brief description and a 'Getting started' button. At the bottom, there are sections for 'User access', 'News', and 'Planned maintenance'.
